The Maiden's Song

Balinnor

The Maiden feels a yearning
to know a glow within
Tis the cycle of the seasons
about to start again

She dances in the moonlight
She sings and leaps with joy
She dances in the Moonlight
and calls her Darling Boy

He's now a mighty hunter
A warrior swift and strong
Protector of the animals
He joins her in the song

She dances in the moonlight
She sings and leaps with joy
She dances in the Moonlight
and calls her Darling Boy

The Lovers come together
their passion begins to burn
the joining of their bodies
ensures the Wheel will turn

She dances in the moonlight
She sings and leaps with joy
She dances in the Moonlight
and calls her Darling Boy

Within the seed is planted
and soon it will grow true
as it has since the beginning
life is born anew
